

Each week we have chosen a theme for learning. We are going to begin this week with the theme of 'Nature' and our activities involve learning more about the environment around us, getting out safely if we can and thinking about what we can do to help. Please remember to wash your hands for at least 20 seconds when you have been outdoors at all and make sure that clothes get a wash.

### **Friday Timetable:**

Please see below for our suggested timetable of lessons for today, this timetable is designed to mirror what we would have been doing in lessons in school.

**9am – 9:30am – Work out and exercise.**

<https://www.youtube.com/user/thebodycoach1/>

**9:30am – Morning Zoom.**

**Lesson 1: English 9:45- 10:45**

Access Rapid Readers at

<https://www.activelearnprimary.co.uk/login?e=-1&c=0#rapid>

Your username is your first name and surname separated by a dot, e.g. joe.leppington

The password is password123

The school code is exyc

**Lesson 2: Maths. 10:45am – 11:45 am**

For today's Maths lesson I'd like you to explore symmetry in nature. Find at least four different objects and if it is safe to do so you can bring them in. Explore ways you could fold these in half and either take a photo or draw the object and use a ruler to draw the lines of symmetry on it.

**1:00pm – Afternoon Zoom check in**

**Science 1:30-2:30pm.**

For today's Science lesson, I'd like you to become your own David Attenborough, observing the nature around you and producing either a video, photographs, writing, diagrams or mixture of these to record your observations.

You can choose any living thing, plant or animal that you find, even a pet. You can research your living thing online to tell us some facts about it.

If you want to see an example, this clip of David Attenborough will help:

**Follow your passion: 2:30-3:30pm**

Do something of your choosing that follows your own passions. You could redo one of the activities from over the past few weeks or come up with something of your own. Whatever it is, I'd love to hear all about it.

If you would like to share anything with me from the day, please do so via email.

Joe
