

Each week we have chosen a theme for learning. We are going to begin this week with the theme of 'Nature' and our activities involve learning more about the environment around us, getting out safely if we can and thinking about what we can do to help. Please remember to wash your hands for at least 20 seconds when you have been outdoors at all and make sure that clothes get a wash.

Thursday Timetable:

Please see below for our suggested timetable of lessons for today, this timetable is designed to mirror what we would have been doing in lessons in school.

9am – 9:30am – Work out and exercise.

<https://www.youtube.com/user/thebodycoach1/>

9:30am – Morning Zoom.

Lesson 1: English 9:45- 10:45

Today I'd like you to research and write about your favourite wild animal and send me the report.

Include some key facts and don't just copy. Read the information and then put it in your own words.

The National Geographic Website is great for this research:

<https://www.natgeokids.com/au/category/discover/animals/>

Lesson 2: Maths. 10:45am – 11:45 am

For our Maths lessons, I have used the materials from Mastery Mathematics website. This is set out with suggested weekly lessons. You can work through this at your own pace and I have attached the Year 3 work as an example. If you need a different level of challenge visit:

<https://www.mathematicsmastery.org/free-resources>

And choose the level that best suits you.

I'm aware that the guidance says you need to have dienes blocks, but I would advise simply drawing the numbers out as the guidance shows if you need to.

Alternatively you can continue with using khanacademy and complete the lessons set for you on here.

<https://www.khanacademy.org/>

Use the class code:

287PV2QQ

Or I will continue to set work via Mathletics:

<https://login.mathletics.com/>

1:00pm – Afternoon Zoom check in

Art 1:30pm – 2:30pm

Make an outdoor picture from elements you find in your garden. I have created this video to help you:

https://www.youtube.com/watch?v=pRs4GpuZq_Y

Remember to wash your hands thoroughly and only go outside if it is safe for you to do so. You can use materials from your own recycling to make an indoor map as an alternative.

PSHE 2:30-3:30pm.

It's time to get involved with helping around the house again. So pick a task and get busy helping out:

You could do the hoovering, washing, washing up, ironing, dusting – whatever needs doing. Take a photo and send it to me!

If you would like to share anything with me from the day, please do so via email.

Joe
