

Each week we have chosen a theme for learning. This week's theme is 'independence' and during this week our tasks have been designed to help all our pupils develop the key skills necessary for independence.

Tuesday Timetable:

Please see below for our suggested timetable of lessons for today, this timetable is designed to mirror what we would have been doing in lessons in school.

9am – 9:30am – Work out and exercise.

9:30am – Morning Zoom.

Lesson 1: Spelling: 9:45 – 10:15am

Complete the puzzle and practise putting your spelling words into sentences. I shall host a spelling test (for real this time!) every Tuesday morning so you can see how well you've learned the words.

Lesson 2: Maths. 9:45am – 10:45 am

One of the key skills you will need to develop in Maths is to be able to subtract. I have put together this video on the counting on technique, which is one method you can use:

Or you can use the column method, which is explained here:

This week I'd like you to practise solving subtraction problems. I have provided sheets of these and some problems in context for you to use.

Alternatively you can continue with using khanacademy and complete the lessons set for you on here.

1:00pm – Afternoon Zoom check in

Music. 1:30pm – 2:30pm

I don't know about you, but when I'm doing housework I like to have an inspiring soundtrack playing to keep me motivated.

Let's share and see if we can create the ultimate housework playlist.

Here are some ideas to get you started:

Don't stop me now – Queen

Working 9 to 5 – Dolly Parton

Titanium – David Guetta

Lesson 4: 2:30 – 3:30 PSHE:

And now it's time to go to work. I've put a video link here for how to do the laundry, but your task may be hoovering, polishing, ironing, washing up. Ask your family what needs doing about the house.
