

Each week we have chosen a theme for learning. We are going to begin this week with the theme of 'Nature' and our activities involve learning more about the environment around us, getting out safely if we can and thinking about what we can do to help. Please remember to wash your hands for at least 20 seconds when you have been outdoors at all and make sure that clothes get a wash.

### **Wednesday Timetable:**

Please see below for our suggested timetable of lessons for today, this timetable is designed to mirror what we would have been doing in lessons in school.

**9am – 9:30am – Work out and exercise.**

**9:30am – Morning Zoom.**

#### **Lesson 1: English**

Today, I'd like you to create your own nature poem.

Take a look at my mindmap with nature words on it. Think of what other words you could add to make a phrase that makes sense. E.g. Rainbow shining.

Then cut out and move the words around to create your poem.

For example:

Rainbow shining

Chick hatches

Sun shines

Rain pouring.

Butterfly unfolding.

Write out and illustrate your poem.

#### **Lesson 2: Maths.**

For our Maths lessons, I have used the materials from Mastery Mathematics website. This is set out with suggested weekly lessons. You can work through this at your own pace and I have attached the Year 3 work as an example. If you need a different level of challenge visit:

<https://www.mathematicsmastery.org/free-resources>

And choose the level that best suits you.

I'm aware that the guidance says you need to have dienes blocks, but I would advise simply drawing the numbers out as the guidance shows if you need to.

Alternatively you can continue with using khanacademy and complete the lessons set for you on here.

Or I will continue to set work via Mathletics:

**1:00pm – Afternoon Zoom check in**

**P.E: 1:30 – 3:30**

In today's P.E lesson I'd like you to watch the stream for our live P.E lesson featuring the Severndale staff and Dave Edwards from Shrewsbury town. The link is here:
