

Each week we have chosen a theme as the planet Earth. We shall be looking at how the Earth is formed, what causes Earthquakes and volcanoes, and some similarities and differences between different places on Earth. We will be focusing on non-fiction reading this week:

Thursday Timetable:

Please see below for our suggested timetable of lessons for today, this timetable is designed to mirror what we would have been doing in lessons in school.

9am – 9:30am – Work out and exercise.

<https://www.youtube.com/user/thebodycoach1/>

9:30am – Morning Zoom.

Lesson 1: English 9:45- 10:45

Today I'd like you to find out about Earthquakes and answer the questions provided on the Earthquake questions pack.

My tips:

1. Read the whole text through first
2. Read the first question.
3. Then look back in the text to find the answer.

If this is too tricky then I'd like you to continue your reading on rapid readers:

Access Rapid Readers at

<https://www.activelearnprimary.co.uk/login?e=-1&c=0#rapid>

Your username is your first name and surname separated by a dit, e.g. joe.leppington

The password is password123

The school code is exyc

Lesson 2: Maths. 10:45am – 11:45 am

I would like you to continue your work on fractions this week. Following the lessons from Oak National Academy and working through your workbook. Please do use the Zoom sessions to ask me about anything you are unsure of.

I have also included a workbook of activities and questions on this theme of fractions.

<https://www.thenational.academy/online-classroom/year-3/maths#subjects>

Of course you can also practise dividing a real chocolate bar into fractions as shown in the Hershey's Chocolate bar Fractions book:

<https://www.youtube.com/watch?v=-1Xk6K-l40>

Alternatively you can continue with using khanacademy and complete the lessons set for you on here.

<https://www.khanacademy.org/>

Use the class code:

287PV2QQ

Or I will continue to set work via Mathletics.

<https://login.mathletics.com/>

Art

Today, I'd like you to create art using a stone from the ground to create your own artwork. You can make a Pebble Fish like the one shown here:

<https://www.thenational.academy/online-classroom/specialist/creative-arts>

PSHE 2:30-3:30pm.

One of the most important things that we need to do in order to protect our planet is to treat it with respect. Indeed, one of our rules in school is 'Respect your environment.' But what does this mean?

Today I'd like you to think about all the things you should and shouldn't do to protect the environment. Try to focus on yourself and the difference you can make. I've attached a writing frame to support you in your recording.

If you would like to share anything with me from the day, please do so via email.

Joe
